Palheiro Golf Madeira Island

Palheiro Golf is situated on Madeira Island some 6 miles east of Funchal with magnificent views overlooking the town and bay, set within the stunning 200 year old Palheiro Estate. The 18-hole, par 72 course was designed by Cabell Robinson and opened in 1993. Palheiro Golf was updated in 2003: two holes were replaced, and a 6 hole academy course was created. The result is a stunning 18 hole challenge with breathtaking views, fast undulating greens, well placed bunkers and tight fairways that reward accurate play. Palheiro Golf winds around the Palheiro Estate which is famous for its pine forests, centennial trees, flowering shrubs and lush vegetation.
