## Travel Insurance Protection Plan

In order to protect you if you need to cancel or interrupt your trip, require emergency medical assistance, experience a travel delay or lose your baggage, Abreu Tours offers our exclusive Protection Plan.

We strongly recommend that you include our Travel Insurance Protection Plan in your reservation as cancellation penalties will be strictly enforced. The protection is not in effect until your payment for the plan is received. In order to waive pre-existing medical conditions, your premium must be paid at time of deposit (provided you are not already disabled from travel at the time you make your payment for the plan) of booking. The insurance may not be purchased after final trip payment has been made.
